

The 10th MCI Group14B project client meeting will be held at IW at 3:10pm on 27 May 2024

Agenda

Client: Cruz Izu

Chair: Lanxi Zhang

Secretary: Zhangchi Pan

Participants: Zhige Zhang, Lanxi Zhang, Jingqi Wang

1 Meeting Objective

Showcase the debugging results from the past week, provide all the current functionalities of the CodeInsight project, and seek customer feedback. Consult the customers about the methods and framework for the demo.

2 Functional requirements and Presentations in Last Meeting

- Customers should be able to access the discussion and submission sections without logging in.
- Admins should have the authority to add multiple tags to submitted code samples.
- Admins should have the authority to close the comment section and the general comment section of a code sample, as well as to close discussions.
- Users should be able to delete their own issues and general comments if they have not been liked or commented on by other users.

3 Meeting topics

- Showcase the full functionality of the sidebar.
- Demonstrate the progress of each CodeInsight feature since the last meeting.
- Can the demo only be conducted online? What is the general process of the demo, and what information does the instructor expecting to obtain from the demo?

5 Next Steps

- Fix the existing bugs in CodeInsight.
- Prepare for the demo.

6 Note

The next meeting time will be held on 3rd June.
