Minutes of the Tenth Client Meeting

Group 14B

Monday 27th May 2024

Client: Cruz Izu
Chair: Zhige Zhang
Secretary: Shiwen Cao
Participants: Lanxi Zhang, Jingqi Wang

1 Time and Place

The tenth client meeting for the MCI Group Project was held in IW 4.21 at 3:20 Pm on 27th May 2024.

2 Agenda

1. Show the new features developed (including close discussion button, close issue button, close comment button).

2. Collect customer feedback and discuss the final presentation demo requirement.

3 Discussion

1. Show the core content in the demo, not all functions.

2. Make sure the Popup window is in English and not in another language.

3. Provide correct code and comments in the demo display, and do not use garbled characters to demonstrate functions.

4. Change 'discuss your code samples' 'your' to lower case.

5. After clicking submit on the submit page, the pop-up 'you are new? Please go to the register page' appears.

6. The acceptance rejection options on the admin page: 'minor...? unclear error' options are changed to lower case.

4 Next Steps:
1. Find bugs that may happened in demo presentation.
2. Fix bugs we find.
3. prepare for demo presentation, make sure group members could answer question.

5 Next Meeting:

The 11th Client Meeting will be hold on Monday 3.10 pm 4th of June.
